Hollywood Beckons Peninsula Girl To Become the Newest 'Screen Personality'

Of considerable interest to the young ladies — from 6 to 60 — comes the announcement that Fox West Coast Theaters on the Peninsula, the Redwood City Tribune, and three local merchants are looking for a young lady who might be chosen to receive a screen test at Hollywood's Universal Studio in the near future.

Managers Hal Honore' and Jack Thorson, of the Sequoia and Redwood Theaters, respectively, upon arriving North from Hollywood, at which time the so-called "Search for a Screen Personality" contest was originally conceived, announce that this contest, which starts on May 12 and embraces all of the situations on the Peninsula Circuit of Fox West Coast, is considered what movie people think the grandest opportunity ever offered young ladies interested in moving picture careers.

As announced in this issue of the Peninsula Beacon, girls are urged to come to the Tribune offices, 30 California St., Redwood City, to register as entrants. There they will receive their original votes. Additional ballots may be secured with every purchase from the Good Housekeeping Store and Olla Tienda, from Phillip Marlow Real Estate, or from Oleson & Sons Motor Sales.

The top ten contenders will meet with the top ten in the other towns, on the Peninsula at a future date, where they will be interviewed by a group of judges to be named later and tried out for talent and ability.

Already in the lineup as potential "Screen Personality" material, and on their way to a cherished selection for the bonafide screen test at Universal Studios are the following Redwood City girls:

Miss Alice Mansfield of 728 Arguello St., Redwood City, Miss June Robertson of San Carlos, and Miss Jene Folsom of 102 Beresford Ave., Redwood City.

Individual stories of each girl's ability will appear in the near future. In the meantime, any and all girls who are interested in a Hollywood career had best heed the call of opportunity, which is best done by registering at the Tribune office at once.

Blossom Time Is Cabriolet Time

It's hard to realize, in the midst of such weather as much of the country has been experiencing, that scenes like the above are just around the corner, chronologically speaking. Experience and the weather man, however, both assert that they are. As a matter of fact, the blooms in the photo are almond blossoms, the locale California, and the car Chevrolet's new cabriolet with vacuum-operated top, controlled from the dash.

Bond 17 Quality Has No Substitute

Because a dog, just as a person, thrives on wholesome fresh food full of nutritional values, Bonds 17 have incorporated in their formula for their dog food wholesome fresh food full of nutritional values.

Bonds 17 has ingredients bought "market fresh"; carefully prepared; packed raw to retain all the vitamins and minerals, then cooked with these valuable vitamins and minerals sealed in to keep a dog healthy, sleek and happy.

Leading kennels, veterinarians and dog fanciers indorse Bonds 17 as the dog food whose "quality has no substitute."

CHEESE AND PEANUTS

Cottage cheese and roasted peanuts combine two favorites that are excellent for Spring salad services. Press the cheese in a bowl which has been rinsed out in cold water. Chill, unmold onto shredded lettuce and sprinkle generously with shredded or coarsely chopped peanuts. Pass salad dressing.

The castor bean, from which caster oil is taken, is a native of Africa but is grown in most warm-weather countries.

The Egyptian house-cat, is believed to have had a major share in the development of European breeds.

Ginger as a Hoyden

Now comes Ginger Rogers in one of the most remarkable roles in her career in "Primrose Path," co-starring Joel McCrea. The vivacious Ginger is cast as the tomboy daughter of a family living on the wrong side of the tracks who breaks away from it all through a meteoric romance with Joel McCrea. Gregory La Cava produced for RKO Radio from the famous footlight hit. This picture, and Charlie Ruggles' "Opened by Mistake" will start at the Sequoia Theater for a 3-day egagement this Sunday.

Musician To Be Freed From Prison

Henry Dixon Cowell, strangely gifted composer and pianist who has been in San Quentin for 3½ years, will be released June 10 if he succeeds in meeting the requirements for his parole imposed by the state parole officer, it was announced Wednesday.

The internationally known musician was sentenced to 15 years, the maximum, after he pleaded guilty in Redwood City to a morals offense.

Under the law, paroled prisoners in California may be freed only if they have jobs awaiting them. Cowell is to become secretary to a musician in White Plains, N. Y., whose name was withheld. There he hopes to continue the career which brought him fame for his modernistic compositions befoer his incarceration.

Dist. Atty. Gilbert D. Ferrell said his office had not opposed the parole of Cowell, provided certain conditions were met. Ferrell said he insisted that Cowell be taken in charge by someone interested in his career.

Sales Gain Made Over Last Year

Studebaker is maintaining a sales gain over last year in spite of the fact that the Champion entered the low price field on Apr. 1, 1939, and immediately created large increases in the total of Studebaker deliveries, according to C. K. Whitfaker, president of the Studebaker Pacific Corp.

The first three months of this year show Studebaker deliveries in the nine western states to be 51 per cent ahead of the same period last year. Still maintaining the lead in percentage gains, Studebaker's sales performance is ahead of the average for the industry which shows a gain of 31 per cent for this ninety-day period as compared to a year ago.

"For the first 20 days of April Studebaker's gain over the same period of 1939 was 42 per cent, a substantial increase when allowance is made for the fact that retail deliveries were being made on the Champion, the largest seller in the Studebaker line, as early as April 1, last year," Whittaker said.

Delegates Return From Junior C. C. Meet

Edward L. Greeley, new president of the Redwood City Junior Chamber of Commerce, and William E. Morrissey, director and state representative of the group, have returned from Long Beach where they attended the state convention of the organization.

Greeley reported that Dan Baker, Palo Alto photographer and past president of the Palo Alto Junior Chamber, was elected vice president for the fourth district, which includes the area from San Francisco to Salinas. There are 10 state districts, each of which is represented by a vice president.

The state chamber elected Edward A. Combatalade of Sacramento as president and voted Joe Levitt of San Jose "favorite son" to support for president of the national organization at the convention in Washington, D.C., next July. The next state convention was awarded Berkeley.

Perry Pipkin of Memphis, Tenn., president of the U. S. junior chamber and one of the 10 "outstanding men" of the nation, was a luncheon guest of the San Mateo Junior Chamber of Commerce yesterday while en route to Hawaii.

MENLO PARK NEWS NOTES

MENLO PARK — The election on Tuesday brought out about one-third of the registered voters. There was no interest in the contest of delegates and voters didn't take the trouble to come to the polls.

John Marley, proprietor of "Idle Hour" soft drink parlor on Santa Cruz Ave., passed away in a San Mateo hospital last Monday evening. He was a native of Maine, aged 70 years. Many years ago Mr. Marley was in the saloon business in San Mateo, later coming to Redwood City where he conducted a drink emporium on Main St. Mr. Marley had resided in Menlo Park for the past five years. He is survived by a sister living at the old family home in Maine.

It is reported that Charles Merrill will subdivide his 30-acre tract located between Glenwood Ave. and Felton Gables. It's a choice parcel of land and would find ready sale.

J. E. Duff has been chosen president of the Wholesale Coffee Association of San Francisco. Mr. Duff is engaged in the wholesale coffee business in San Francisco and has made a fortune in trading with the Republics of South America. His father opened the first store in Menlo Park in 1874.

Mrs. Frances Bonelli, nee Casey, of San Francisco, is in Chicago for a short visit. Mrs. Bonelli is well known in Menlo Park where she was born and spent her girlhood.

L. E. Harris, editor of the Menlo Park Recorder, and his wife returned from a motor journey to the East this week.

Miss Charlotte Grill, the pretty daughter of Mr. and Mrs. F. B. Grill, was married last Saturday at noon to Frank Willis in the Church of the Nativity by Father Thomas McKeon. After a reception and dinner at the home of the bride's parents, the young couple departed for Los Angeles. Upon their return they will reside in San Carlos. The bride is a member of the Palo Alto hospital staff. She is a charming and very beautiful young woman.

The old store building on the corner of the highway and Oak Grove Ave. is being wrecked to make way for a gas station to be constructed by the General Petroleum Co. This makes four stations in the middle of the city occupying the four principal corners.

Menlo Park was once known as the "Village of Beautiful Oaks." Little did the founders of the town, D. J. Oliver and his brother-in-law, D. C. McGlynn, think it would ever become the location of unsightly service stations. The home town of these gentlemen was near Menlo Park, Ireland, and because of the beauty of this section and because of their fond memories of the old home land they christened the new section by the old home title.

The convocation of ministers to the number of 150 at the Trinity Episcopal Church was a spiritual and social success. After an all-day session Monday in the church a banquet was enjoyed by the ministers and others at the parish hall. The ladies of the parish prepared the meal and waited on the guests. Clergymen from San Louis Obispo and San Francisco participated in the conclave.

The Boys' Club of Menlo Park Central School had an amateur hour, Wednesday, May 8 at 7:30 p.m. The fifth grade girls, Shirley Blasedale, Betty Peterson, Kathryn Anselmi, Pauline Givannitti, Peggy Casey, Emma Lindquist, Shirley Sidwell, Marion Kaueka, Phyllis Dillon and Nancy Cowman, sang "South of the Border" and "School Days" as an added feature. The Boys Guild sang four or five songs and there were other featured acts.

Menlo Park American Legion Post 443 held a successful bacon and egg whist in Central School auditorium Thursday, May 9.

Many members of the Menlo Parlor NDGW attended the 53rd anniversary dinner of Bonita Parlor NDGW (Redwood City) Wednesday, May 8.

Paul Thomas, who is employed by the S.S. Lurline, visited his aunt, Mrs. W. H. Weeden Wednesday.

Redwood City Day Plans At Exposition Drafted

Rough draft of plans for the program of Redwood City Day at the San Francisco Exposition June 2, in conjunction with the Redwood City Eagles' ferry boat ride, was worked out Tuesday by the Redwood City Chamber of Commerce co-ordinating committee, headed by Norman S. Menifee.

The ferry is to be met at Treasure Island at 11:30 a.m. by the exposition band, and escorted probably to the California Building, Menifee said. There Mayor Harold F. Anderson will speak, the Redwood City Band will play and several acts of entertainment will be presented. Following luncheon there will be two hours of dancing in one of Treasure Island's halls.

Redwood City Day tickets to the exposition will be placed on sale shortly, Menifee said, and he urged purchase of tickets from local sellers. Price will be the same as last year, 50 cents. Ferry boat ride tickets are on sale already at $1 each.

"Metaphos," a new phosphatic fertilizer produced by the TVA, is being tried out this Spring on test-demonstration farms in 31 New York state counties.

Funeral services were held at Halsted-Dierks parlors in San Francisco Tuesday for Francis Emil Wagener, 72, San Francisco Bank employe in San Francisco for 35 years and father of Frank E. County Goes Along With Entire State

San Mateo County went along with every other California county on Tuesday to give the Roosevelt third term ticket a resounding victory in the presidential primary election. The unofficial complete returns from the county's 254 precincts:

DEMOCRATIC

Roosevelt	**11,566**
Garner	**1,732**
Patterson	**1,201**
Allen	**1,189**

REPUBLICAN

Seawell	**9,906**

As elsewhere in the state, the features of the election here were the unexpected power of the third term support and the large complimentary vote accorded the unopposed, uninstructed Republican delegation.

Walter Brown Dies After 2-Week Illness

Following an illness of two weeks, Walter Brown, about 75, who had been employed as a laborer in this community and had lived at the Rudolph Hotel, passed away early Sunday at a San Mateo hospital. Attempts were being made by Franklin & Crowe Mortuary to locate relatives.

Rubber, sugar and coffee were respectively the principal agricultural imports of the United States in 1938.

Local School Trustees May Seek Re-election

Indications were today that all three Redwood City men whose school board terms expire would be candidates for re-election June 7.

John W. Poole, county supervisor who has served for 26 years as a trustee of the Redwood City Elementary School district, said that it was his intention to seek re-election.

"My association on the school board has been very pleasant, and I am inclined to run again," he stated.

Poole has been chairman of the board for some 15 years.

Walter W. Hilton, jeweler who is secretary for the Sequoia High School Board of Trustees, and Stuart W. Copps, assistant superintendent at the S. H. Frank & Co. tannery, both said they contemplated running again for their Sequoia board places, although neither definitely committed himself.

All school trustee terms are for three years. Candidates have until 15 days prior to the election to file candidacies with County School Supt. Pansy Jewett Abbott.

School Plea Received Too Late for Action

Petition of 45 Montara residents to divide the Dennison School District to provide separate administration of the Montara and Moss Beach schools has been received too late for action this year, according to School Supt. Pansy Jewett Abbott. She explained that such actions must be completed before Feb. 1.

The petitioners objected to a plan of the Dennison trustees to send Montara seventh and eighth grade pupils to the Moss Beach school, branding the plan as "ineffecient, unreasonable, and destructive of school morale."

Mosquito Control Co-operation Urged

Aid of the public in eradicating mosquitoes by controlling their breeding places was asked today by Supt. T. F. Gainer of the Pulgas Mosquito Abatement District.

"The method of controlling the breeding of mosquitoes is based upon the fact that mosquitoes must have water in which to breed," Gainer said. "If you have any containers for water, such as barrels, cans, neglected water troughs, cess pools accessible to insections, etc., you will greatly aid us in our work by emptying them and thus help to free our district of the breeding places for mosquitoes."

If aid is desired, Gainer can be reached by telephoning Redwood 70 or Palo Alto 22926.

Jury Frees Verne Fleck Of Charges

Verne Fleck, proprietor of the Wavecrest Tavern near Half Moon Bay, was found not guilty here of harboring Ray Thompson, Folsom road camp escape now facing a charge of murder.

Fleck was acquitted by a jury of nine women and three men in Judge Maxwell McNutt's court after three ballots.

On the first two ballots two jurors held out for conviction.

Said Foreman Louis Rebele, San Mateo: "We felt the man had suffered enough. It wouldn't be of any use to send him to San Quentin. We felt that the man was foolish, but actually had no deliberate intention of aiding, harboring or concealing Thompson."

Fleck was defended by Atty. Nathan Coghlan. The prosecutor was Dep. Dist. Atty. Louis B. Dematteis.

First Forest Fire Quickly Extinguished

First forest fire of the season was reported on the Alpine Rd. one-half mile south of the Haskins Hill Rd. intersection south of La Honda, at 8 p.m. Tuesday. The blaze, which started in a hollow redwood tree, covered a half acre of trees and brush. The fire was extinguished by the La Honda Summit crew of the county forest service. Fire Warden Bert L. Werder said WPA crews from Memorial Park were burning off the right-of-way along Alpine Rd. and apparently were responsible for the blaze. Damage was nominal.

Miss Loretta Thompson (above) consultant, is offering make-up advice at Lock Drug Co. until tomorrow.

Miss Thompson promises that during her visit at Lock's

she will demonstrate how make-up can bring new beauty to women.

Miss Thompson says, "I am often faced with the fact that many women go at the matter of make-up in a much too haphazard fashion. If only more women knew that glamour is but a combination of natural charm and proper make-up they would cease to envy Hollywood's beauties."

As a special feature during her visit, Lock Drug Co. is offering an ensemble of four make-up preparations — face powder, rouge, lipstick and nail polish in harmonizing shades—at a special low price.

Hospital Day Fete Set for Next Sunday
